	c) <u>Projects</u>					
L						

	•	Toilets – Healthmatic have carried out a site survey on 10 th October 2019 and are presenting a revised proposal at full council to incorporate extra detail following the site visit. The cleaning
		contract is being reviewed.
	•	Willow tree – Bartletts have agreed a date to undertake the work and Hambleton District Council
		has been informed.
	•	Bandstand - A quote has been received from one of the four contractors which will be reviewed at full council. It is suggested that the odd job contractor should paint the ceiling. The roses will be removed by the Miscellaneous Works Contractor in Autumn.
	•	Signs – The Easingwold Georgian Market Town sign has been collected from Howells and requires concreting in on the farmer's land. The Clerk's office is in contact with Hambleton District Council to ensure the sign is safe in the proposed new siting and Hambleton District Council via the Vibrant Market Town has approved a grant to pay for advertising consent. Chris Jackson is speaking directly to the farmer re: exact siting. The re-siting of the town sign requires an application for Street Furniture Protocol. The Clerk will complete the form with assistance from a qualified builder to confirm necessary details. The Skate Park sign has been installed by Chris Jackson and the Clerk
	•	Benches : The Miscellaneous Works Contractor will carry out a survey of all benches as another rotting wooden bench on Spring Street has been identified and removed. The Clerk will liaise with the Miscellaneous Works Contractor to order benches to fill the gaps and replace the rotting bench on Church Hill. The Clerk has contacted Persimmon's to ask them to clean the benches on Rowan Avenue, an acknowledgement of the email has been received.
	•	Lifebuoy & housing: These have been installed by Chris Jackson and the Clerk
	•	Storage Container: The Clerk has obtained 3 quotes. One company has highlighted the risks of
		buying without sight of the container as there is a high degree of internet fraud related to shipping containers.
	•	The Fair : The Fair has taken place successfully with only one complaint from a member of the
	•	public regarding the fair obstructing a disabled parking space. Christmas Market: The Christmas market is close to being fully booked with one week remaining. The town band has been booked to play, Hunters has been asked to sponsor the event, Outwood Academy's choir has been asked to perform and the Lions have been asked to provide Father Christmas. Adverts will be placed in the Easingwold Advertiser beginning 19 th November.
	•	Christmas Lights & decorations: New lights have been ordered for the lamp posts in the Market Place and NYCC has been asked to adapt lamp posts in Long Street with a view to siting the existing lights there next Christmas. A survey will be carried out by NYCC early in 2020 to determine the structural suitability of the Long Street lamp posts for Christmas decorations. 8 Christmas trees with battery operated LED lights will be placed on the Market Green in front of the houses. The residents have been consulted.
		Light Up a Life: The tree will be delivered on 20 th November, a cherry picker has been ordered
		for the 25 th November when the tree will be decorated, and the service will take place on 27 th
		November.
	•	Easingwold in Lights: The Easingwold in Lights competitions will take place again this year in
		conjunction with Hambleton District Council and Wold Class.
