AGENDA

1. Apologies

To receive and approve the reasons for apologies.

2. To resolve to adjourn the meeting for up to 15 minutes to take questions or comments through the Chairman from members of the public.

3. Clerks Progress Report

- The horse chestnut tree on the permissive route/boundary of Millfields has been felled and a new tree planted. The ash tree has had a crown lift.
- The tree outside 38/40 Uppleby has been pruned.
- Work has been carried out on two lime trees on Larch Rise.
- An allotment inspection was carried out on 3 March.
- An application has been submitted by Phoenix Trees to HDC for work to be carried out at Mallison Woods. HDC have confirmed that a site visit won't be necessary and Phoenix Trees will keep us updated.
- Repairs to the Springer at Claypenny Park, the cradle swings at Longlands and the roundabout at Memorial Park have all been postponed by Playscheme due to the COVID19 pandemic.
- At the last Full Council Meeting it was decided that no decisions should be made on the remedial works required at Memorial Park until a site visit has been carried out by members of the Committee. This will be arranged after the lockdown restrictions have been lifted and parks are allowed to re-open.
- The Clerk has contacted the manufacturer of the rugby posts at Millfields but they are not working currently due to the pandemic.
