

Publicly Accessible Defibrillators in Easingwold

If you need to use a defibrillator, please ring 999. The Ambulance Service will then give you the code to unlock the cabinet as well as helping you through the procedure.

For more information email: clerk@easingwold.gov.uk

HAMBLETON
DISTRICT COUNCIL

This map was prepared by Easingwold Town Council in good faith, but as we do not own many of the defibrillator units, Easingwold Town Council cannot be responsible for any map errors or malfunctioning units for any reason.
