Tree donations

Help offset CO₂ production and protect Easingwold's precious tree heritage by making a donation towards planting a tree.

If you would like to choose a tree from the planned planting list, then we will let you know the exact location once the tree is planted.

The minimum donation is £50, the exact cost will depend on the species and size of tree chosen.

Tree planting season

Tree planting season is between December and March.

Bench and bench plaque donations

Benches can be located at a range of sites around Easingwold. All benches are robust and easy to maintain.

The exact price will be confirmed upon application, which can include an engraved plaque.
